CPU																V												V	V																					
DSP																												V	V					V			V												
Application Specific Controller(MPU)			V											V	V										V	V		V	V					V											V	V			
Micro Controller (MCU)			V											V	V		V						V		V			V	V					V			V							V			V		
Memory / DRAM																													V				V														V		V
Memory / SRAM														V										V									V																
Memory / Mask RAM																																																	
Memory / EPROM																																															V		
Memory / EEPROM																									V			V						V									V					V	
Memory / Flash														V										V	V																						V		
Memory / Micro Drive																																																	
Memory / MRAM																																																	
Memory / P2ROM																													V																				
Logic																												V																					
ASP / Multimedia															V												V	V				V		V			V									V			
ASP / Chipset																												V																					
ASP / Graphic																												V														V							
ASP / LAN																	V				V				V																								
ASP / WLAN	V																V			V																													
ASP / UWB																												V																					
ASP / Zigbee																									V				V																				
ASP / Bluetooth																	V			V								V																					
ASP / Bridge IC																					V							V																	V		V		
ASP / MODEM/FAX																													V																				
ASP / Audio IC				V	V								V															V	V					V			V		V								V		
ASP / MP3 SoC														V	V													V	V								V									V			
ASP / Video IC															V	V										V	V	V	V					V			V		V					V		V	V		
ASP / Smart Card Reader																												V																			V		
ASP / DSC Chipset																																		V			V								V				
ASP / RF														V			V	V							V		V	V						V										V	V				
ASP / RF PA	v																V																	V							V								
ASP / RF PA Module																												V						V							V								
ASP / Telecom IC	v									V				V			V										V	V	V																				
ASP / Raid Controller																																																	
ASP / SD Card Controller																																															V		
ASP / PHS	V																																																
ASP / PA																																		V															
ASP / PA Module																																		V															
Digital IC / Clock Generator																												V	V																				
Digital IC / Speech IC														V														V	V															V			V		
Digital IC / Transceiver																	V								V			V																					
Digital IC / Compass sensor																												V	V																				
Analog IC / OP AMP																									V			V	V					V															
Analog IC / Stabilizing Controller																												V						V															
Analog IC / Comparator																									V			V																					
Analog IC / Converter				V			V																		V			V							V														
Analog IC / Themal IC																									V			V																					
Analog IC / Timer																												V																					
Analog IC / Video IC																																																	
Analog IC / Photo-Coupler																						V																											
Analog IC / Photo-Link		V																																															
Analog IC / PWM IC				V			V					V					V								V			V						V	V				V				V						
Analog IC / Moto Driver				V			V										V								V			V						V			V												
Analog IC / G Sensor																													V																				
Analog IC / ESD Protection IC																	V											V																					
Analog IC / Power Management IC				V			V		V			V					V								V			V	V					V	V		V		V				V				**V**		
Analog IC / IrDA																						V			V			V			V																		
Discrete / Diode												V					V											V						V			V												
Discrete / LED																						V									V									V									
Discrete / Transistor—BJT												V					V											V						V			V												
Discrete / Transistor—MOSFET				V								V					V								V			V						V			V												
Discrete / Transistor—IGBT				V								V					V																	V			V												
Passive / Capacitor																			V																														
Passive / Resistor																			V																														
Passive / Inductor																																																	
Passive / SMD Microphone																																																	
Passive / Crystal & Oscillator											V																																						
Passive / OV/OC																																																	
Passive / ESD																			V																														
Passive / EMI																			V																														
Passive / Connector																																																	
LCD Device / TFT LCD Panel						V	V																																										
LCD Device / TN/STN/CSTN Panel							V																																										
LCD Device / LCD Driver IC						V	V																		V	V			V	V							V												
LCD Device / LED Driver IC				V	V		V							V														V						V		V		V											
LCD Device / HDMI / HDCP																										V	V	V																					
Tuner / CAN																												V																					
Tuner / Silicon	V																V											V																					
Storage Device / Serial ATA Controller																					V																						V	V				
Storage Device / CMOS Image Sensor																																V						V											
Storage Device / PC Camera Module																																											V						
Storage Device / Finger Print Sensor																																																	
Storage Device / CCD Sensor																																																	
Storage Device / Industry storage																																																	
Storage Device / Optical Pick-up Head																																			V														
Touch Screen / CapasitiVe																																																	
Touch Screen / ResistiVe																																																	
Touch Screen / TouchPen																																																	
Touch Screen / TouchPad																																																	
High Power LED																						V									V																		
Panel / OLED Panel																															V																		
Connectiviity / Tact Switch																																																	
Connectiviity / Pushbutton Switch																																																	
Connectiviity / Slide Switch																																																	
Connectiviity / Rocker Switch																																																	
Connectiviity / Rotary Switch																																																	
Connectiviity / I/O Connectors																																																	
Connectiviity / Phone jack connector																																																	
Connectiviity / IEEE Connectors																																																	
Connectiviity / PCB Connectors																																																	
Connectiviity / Write-to -Board																																																	
Connectiviity / Write-to-Write																																																	
Connectiviity / Board-to-Board																																																	
Connectiviity / SCSII Connector																																																	
Connectiviity / Half pitch connector																																																	
Connectiviity / FFC/FPC																																																	
Connectiviity / DC, RCA Jack																																																	
Connectiviity / MINI DIN																																																	
Connectiviity / OPTO JACK																						V																											
Connectiviity / Power Connectors																																																	
Fiber Optics / Fiber Optic adaptors		V																				V						V	V																				
Fiber Optics / Pre-Amplifiers																	V											V																					
Fiber Optics / PD																	V																																
Interface / PD																																																	
Interface / 1394																					V							V																					
Interface / USB																							V					V	V														V	V		V		
Software / Audio Engine																							V																				V			V		
Software / Communication Protocols																																																	
Software / DRM																																											V						
Software / Image Filter																																																	
Software / 3D Game																																																	
Software / SATA II protocol																																												V					
Software / PCI express protocol																												V																					
Software / Mircosoft Windows Embedded OS																																																	
MEMS / Accelerometer sensors								V																					V																				
MEMS / Pressure sensors								V																																									
MEMS / Gyroscope								V																														V											
Micro Battery																																																	
Wimax																																																	
OLED																																																	
ASIC															V	V																																	
Foundry																V
